 - b) That it will not disclose any information concerning a Medicare and/or Section 1011 beneficiary to any other person or organization, except CMS and/or its contractors, without the express written permission of the Medicare/Section 1011 beneficiary or his/her parent or legal guardian, or where required for the care and treatment of a beneficiary who is unable to provide written consent, or to bill insurance primary or supplementary to Medicare and/or Section 1011, or as required by State or Federal law;

All incorrect payments that are discovered as a result of such an audit shall be adjusted according to the applicable provisions of the Social Security Act, Federal regulations, and CMS guidelines;

The carrier or FI will make alternative means available to any electronic biller to obtain such services;
5. Ensure that all Medicare electronic billers have equal access to any services that CMS requires Medicare contractors to make available to providers or their billing services, regardless of the electronic billing technique or service they choose. Equal access will be granted to any services the CMS contractor sells directly, or indirectly, or by arrangement;
6. Notify the provider within two business days if any transmitted data are received in an unintelligible or garbled form.
